Forecast for Saturday 19 Sep 2020

Weather: Mist and fog patches clearing by mid-morning. Otherwise all ranges will see a dry and sunny day, perhaps some low cloud developing across the Trossachs from late evening.

Chance of cloud free mountain/hill tops above 800m: All summits expected to be clear, although some thin patches of low cloud possible below 250 metres around dawn and for a short while after. Cloud base falling to 500 metres in any cloud over the Trossachs late evening.

Visibility: Mostly very good with good air clarity.
